

It's All Right Here.

Complete Service is only a phone call away...

at competitive rates and supported by superb customer service. We take pride in owning and maintaining our own fleet and in receiving and processing your order with no dock delays. We offer you refrigerated and frozen storage, bar coding for accurate inventory control, on-line inventory checking, customized packing and labeling, and expert handling of your orders and supplies. Our logistics team is capable of handling your freight—throughout the U.S.—economically and efficiently. And throughout it all our friendly, professional service representatives answer your questions, seek solutions to your needs, and keep you informed at all times.

Complete Service is only a phone call away...It's all right here.
